

Legacy Academy

Elementary Student Placement Form

School Year 2009 - 2010

Most parents/guardians are very concerned that their child is placed with a caring and competent teacher. We would like to give parents/guardians of Legacy Academy the chance to assist us as we implement our process for student placement. We recognize that every child has unique differences and needs that should be considered in the placement process. Your child's current teacher, the curriculum coordinator, and the principal will meet to discuss placement for this fall. The objective is to match student-learning styles to teacher strengths and areas of talent, while creating classrooms that have a balanced number of students who are strong, self-directed learners, with those who need support. It is important that students learn to work and socialize in environments of diversity. This not only prepares them for "the real world" but also allows individual talents to shine. Please use the space below to provide any information that will assist us in the classroom placement of your child for the upcoming year. **Please return to the office by April 2, 2009.**
