

Legacy Academy

Dear Legacy Academy Family,

Due to the rising cost of gas and the growing demographics of our school's population, we have decided to enlist the help of an outside source to help organize our carpool. We will be teaming with RideArrangers to provide free carpool matching assistance. RideArrangers has been helping families form school related carpools for nearly 15 years. Just last year alone, RideArrangers assisted nearly 50 schools and formed roughly 3,500 parent carpools.

The program works as follows:

We will provide RideArrangers with our student roster, including names, addresses, and phone numbers. RideArrangers will use its mapping software program to plot our families on a map and will mail each family a list identifying which families live closest to them. This information will be sent out to each participating family this summer so families can arrange a carpool before school registration. We will still be using our carpool number system to identify each carpool arrangement; however, we will no longer advertise carpool needs in the Legacy Ledger as you will have all of the appropriate information at your fingertips provided by RideArrangers. Families receiving a carpool list are not obligated to carpool, but may keep the list as a reference in the event that temporary transportation needs arise.

We have been assured by RideArrangers that our student listing will remain confidential and will only be used to match with other Legacy Academy families.

Legacy Academy and RideArrangers assume no responsibility for carpools, but provide carpool information for your use. If you are interested in carpooling, you will need to take the initiative to contact families on your list to make arrangements.

If you do not wish to have your family's information included in the matching program, please complete the section below and return it to the main office no later than May 19, 2008. We will also remove your name from the school directory as well.

If you have questions regarding this program, please call Mia Bemelen at RideArrangers at (303) 480-6772 or mbemelen@drcog.org.

Thank you,

Starla Cordova

Your name will automatically be included in this program if we do not receive this form by May 19, 2008.
